Movement Dance & Fitness would like to welcome back our returning students and welcome in our NEW students!! We are so excited to start the 2018-2019 dance year at Movement Dance & Fitness. Our goal is to provide your child the very finest in dance education. We are here to help your child achieve their best individual abilities in the art of dance, this leads to personal growth in work ethic, self-esteem and confidence. These are characteristics that can be seen on and off the dance floor throughout their lives.

We cater to all ages and levels! It's definitely going to be another amazing year with all of you but we need your help:

*Yes, you may drop your child off for class and leave, just make sure they arrive no earlier than 10 minutes before their scheduled class time.

*Help us keep our studio neat and tidy... Please clean up your mess in the parent waiting area down in the basement, as well as the bathrooms. Accompany small children to the bathroom and keep food and drink away from the dance floor.

*Be on time to class. Students concentrate and follow direction better if parents are not present in the classroom. Younger students are less inhibited and more responsive to their teacher. We will schedule parent observation days for you to observe your child's progress, ask questions, and receive information regarding costumes and recital details. Most of the classes you will be able to watch live on our TV in our parent waiting area.

NEW – Back Studio is our space in the North End of the building, ALL Tumbling classes will be held in the 'Back Studio.' This means, you will need to use our **BACK DOOR** to access the tumbling studio. Parents will not be allowed to sit in the tumbling room, please use the basement access to our waiting area. **Please do not walk through to the basement access while a class is in session.**
