  - We cannot guarantee but, our goal is to have families only attend one show, so that you do not have to purchase tickets to multiple shows, that is why you see some classes split up. Our goal is to have students perform all of their routines in the same show.

### Pictures and Videos

- Yes, you may take pictures and videos during our production.

### **Can you be backstage with your dancer?**

- We will be looking for backstage parent volunteers, however if you are not a volunteer we ask that you just drop them off before the show and pick them up at their dressing room after.
- We will have assigned dressing rooms for students, we also ask that you check in/check out your student with the designated people by the West doors of Gallagher (where you will enter to drop off student(s))

### **What else will I need?**

- If you have the correct shoes for your class(es), you will just need tights. Pink tights for our Tippy Toes, Tutus & Bowties, Kidlets, and Kiddance. Pink Tights also for all Ballet Classes. Tan tights will be worn for all other classes.
  - Tip 1: Think of shoe color, if you have pink ballet shoes on, you will need pink tights. All other shoes - tan tights. (Our children classes (ages 2-7) only wear pink tights.)
  - Tip 2: Once the line up is released, consider layering your tights, or just pulling pink ones over your tan ones for ballet.
- **LABEL costumes, shoes, tights, accessories, bags, etc!**
- If you have multiple costumes, consider bringing a laundry basket to quickly throw costumes in after changing. You will have time to reset your costumes following the first show.

### **How can I get tickets to the show?**

- We will give everyone a heads up with the date tickets will go on sale. Typically one month prior to recital. These will be purchased through the Gallagher Bluedorn Ticket Office. Prices will be around \$16.
