THANK YOU!

On behalf of the entire Movement community, I wish to extend a very warm welcome to you! The energy and excitement of this year's show reminds me that the art of performance is about so much more than the costumes and awards. It is about expressing ourselves through dance, creating lasting bonds

of friendship, and the satisfaction of working hard towards achieving dreams. Our dedicated performers and loving, supportive parents are the backbone of all we do, and they continually inspire us to strive for excellence! This year's recital, *Bon Voyage!*, will showcase Movement's excellence in a creative and inspiring way! The show you are about to see is a celebration of the hard work, dedication and love for dance that the students bring to the studio every week. Whether it is their first time stepping on stage, or their hundredth performance these dancers are excited to share their love for dance with you! We are beyond grateful to be a part of all your child's dreams alongside you. As you read this, our dancers and teachers are behind the curtains preparing to inspire you! So without further ado, we proudly present '*Bon Voyage!*'
