## A Note of Thanks from the Studio Owner

As the curtain rises on 'Carnival in Motion',  
I want to take a moment to express my deepest gratitude.

**To our incredible dancers** - thank you for your hard work, your heart, and the joy you bring to every class and performance. Watching you grow in confidence and creativity is truly the greatest reward.

**To our families** - your unwavering support, encouragement, and trust mean the world. Thank you for being our biggest cheerleaders and sharing your dancers with us.

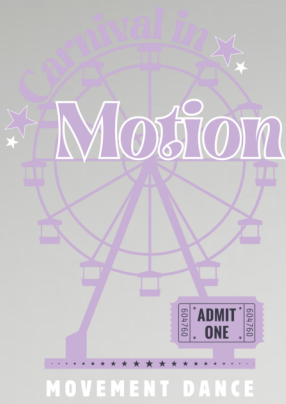

**To our dedicated instructors and staff** - your passion, patience, and commitment behind the scenes and on the stage bring this entire show to life.

This recital marks our 11<sup>th</sup> annual spring showcase, and it's because of all of you that Movement Dance continues to be a place where creativity, energy and community thrive.

Thank you for being a part of the Movement family. I am so proud of everything we've accomplished together - and even more excited for what's ahead.

With gratitude and love,  
Kara Hibdon

Your dedication, discipline and passion are truly inspiring. Thank you for showing up, pushing yourself and pouring your soul into every step.  
We're so proud of your commitment – keep shining!

# SENIORS Staff

I began dancing in 2014 when movement dance and fitness first opened and danced for nine years. I love working at movement and always being surrounded by kids and passion.

After high school I'll be attending Capri College in Waterloo for there cosmetology program.

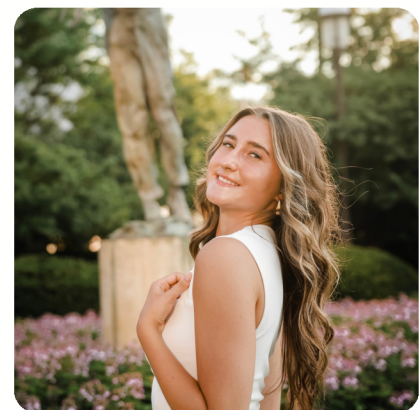

**Leah Larson**

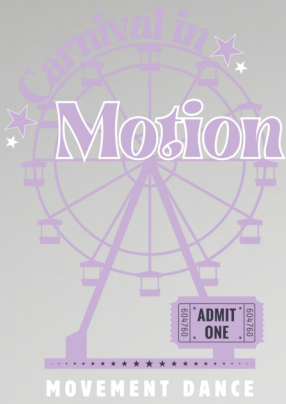

**Scotlyn Sly**

I'm scotlyn sly. I have worked at movement dance and fitness for two years now. I love working here because I love seeing all the kids and I enjoy how much passion they have for dance. I plan to attend Hawkeye Community College this fall to attend their EMT program.

I have been dancing ever since I can remember and competing for 12 years! This is my 3rd season teaching at Movement and I love being able to teach my love for dance to my students and be apart of helping them grow throughout the year. After high school, I plan to attend Iowa State University and study interior design.
